 MESSAGES

You should receive the following email confirming your registration. Please note: The same email will be received following the registration for each of your family members (detailed in the next section).

Marhaba Wallace,

We are so pleased to have received your registration request to attend the 2023 KSA Expat Reunion. We will begin processing your request in alignment with the timeline posted in our [Frequently Asked Questions \(FAQ\)](#). Once approved, you will receive an email with further information on how to sign-up for events and trips.

In the meantime, we invite you to explore all of the [exciting trips and events](#) we have posted on the website.

All the best,

KSA Reunion Admin Team

You will also receive the following email with your login and password details for the website. These details will be needed to log back into the website to activate your account and to complete the required registration for all family members attending with you **once you have been approved to attend.**

Marhaba Wallace,

Thank you for your interest in attending the 2023 KSA Expat Reunion!

Please Log back in to <https://2023ksareunion.wildapricot.org/> with the email and password below to activate your account.

Email: koenniww@aramco.com

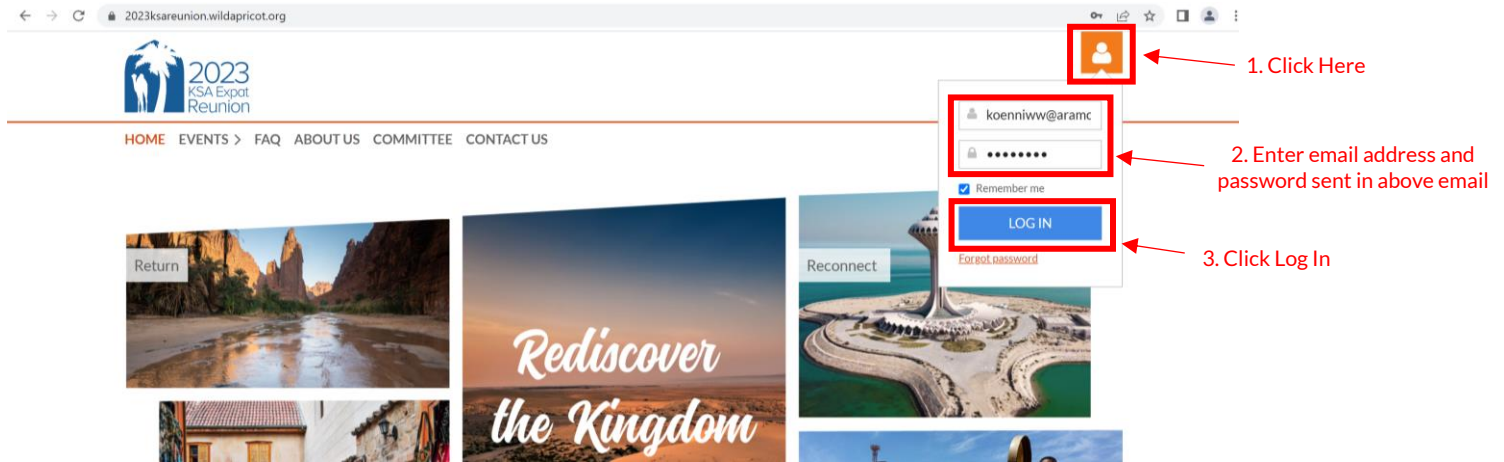

Password: UHsFwaOf

Thanks...

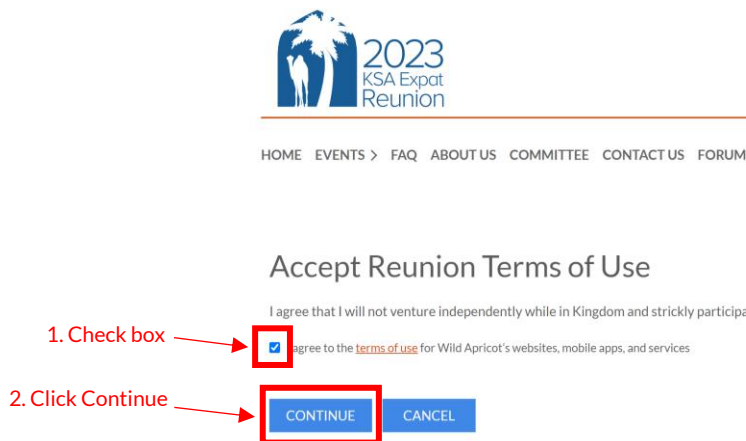

KSA Reunion Admin Team

IMPORTANT: You will not be able to register other family members until your attendance is approved.

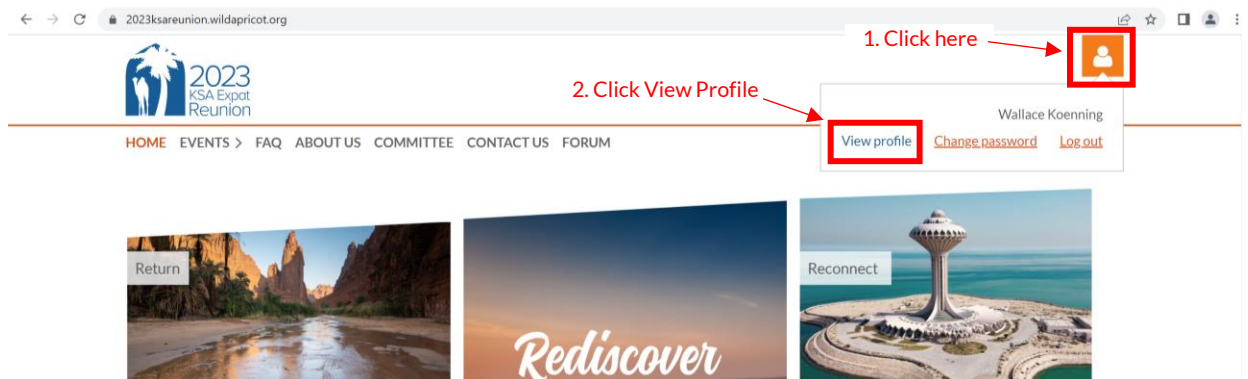

Log into the website using your email and password sent to you in the registration email using the directions below...

The first time you log into the website you will need to accept the Reunion Terms of Use following the directions below...

All family members traveling with you must be registered through the website. To register family members who will attend the reunion with you, please follow the directions below...

Please note: Unfortunately, the website only allows you to enter one registrant at a time, so you will need to follow the process below for each of the families traveling with you. The My Profile page below is the starting point for the process by clicking on the Add Member button.
